

A Public Shooting Range in the Heart of Summit County, Colorado

The Summit County Shooting Range provides both residents and visitors a safe and cost-effective place to enjoy the shooting sports. With dedicated pistol, rifle, and shotgun ranges, there is room to spread out and enjoy a day at the range.

Aerial View of Range

Ambidextrous Shooting Benches Available

Directions to the Range

From I-70/Silverthorne:

1. I-70 Exit 205 (Silverthorne)
2. At bottom of ramp, follow signs for US-6 East / Keystone
3. Go approximately 5.5 miles passing Dillon Reservoir on your right. Look for large Keystone sign.
4. Just past the large Keystone sign, turn left onto Landfill Rd.
5. Follow this road up approximately 1.1 miles to the range. Stay to the right of the fenced-in scales on your way to the range.
6. Park in the marked area below the range and walk up past the green gate.

SUMMIT COUNTY
SHOOTING RANGE

▶ **Visitor's Guide**

▶ **Rules & Regulations**

Welcome to the Summit County Shooting Range

Welcome!

The Summit County Shooting Range is available for public use to enjoy the shooting sports. Separate trap, rifle, and pistol ranges are provided.

Located just above the Summit County Landfill, this range is open from 7am to 7pm weekdays and 8am to 5pm on weekends April through October. During the winter months (November through March), the range is open from 7am until 5pm weekdays and 8am to 5pm weekends. Excepting the most intense snow storms, access to the range is possible with a 2-wheel drive vehicle via a mix of graded dirt and paved roads.

The range is often operated without staff. This means you and your fellow shooters are responsible for keeping the range safe. To help keep the range a safe and enjoyable place to shoot, the range is governed by a set of rules and regulations which all are expected to follow. (See details to the right).

Facilities

There is a vault-style toilet at the range, but no running water or electricity. Target stands bases are provided, but you may need to provide your own target frame and backer board. Please see more details on the range website:

<http://SummitRange.org>.

A van-accessible handicapped parking area is provided at the east entrance (far gate). Wheelchair-compatible shooting benches are provided.

Range Usage

The 50 yard pistol range is restricted to rimfire and handguns only. The rifle range is designated for centerfire rifles as well as shotguns firing slugs. Shotguns are otherwise only allowed on the Trap range.

Trap Equipment

Manual trap throwers are available on the trap range. You need to supply your own clay targets.

General Range Safety Rules

1. **ALWAYS** keep the muzzle pointed in a safe direction. This applies at all times to both loaded and unloaded firearms.
2. **ALWAYS** keep your finger off the trigger until the sights are on target and you are ready to fire.
3. **ALWAYS** keep the gun unloaded until ready to use.
4. Always be sure of your target and what is behind it.
5. Shoot only at authorized targets. Shooting at wildlife is prohibited.
6. Ensure your fired projectile is landing within the range boundaries.
7. Know and obey all range commands.
8. Know where others are at all times.
9. All handguns must always arrive and depart the firing line in a case or holster. All handguns in the ready-area behind the firing line must be cased or holstered.
10. All firearms must be uncased/un-holstered, readied, and re-cased/re-holstered **ONLY** on the firing line and **ONLY** while the range is open for live fire.
11. All uncased rifles or shotguns are carried to and from the firing line unloaded, with the action open, and with the muzzle pointed in a safe direction.
12. Black powder firearms are to be charged with the muzzle pointing up. They shall not be capped or primed until on the firing line with the muzzle pointing down range.
13. Prior to anyone going downrange, all firearms remaining on the firing line or benches will have their muzzles pointed downrange, magazines removed and actions open with no live rounds in them.
14. When a uniformed NRA-certified Range Safety Officer is not present any shooter may act as Range Officer, responsible for safe operation of the range.
15. Failure to obey the order of a Range Officer is a major safety violation and can result in fines and/or expulsion from the range.
16. Persons possessing a concealed handgun permit must comply with current state laws.
17. Toy guns and BB guns are to be treated as real firearms. Persons handling such arms shall comply with all range rules.
18. Each shooter is responsible for his/her actions and the actions of everyone in their group.

General Range Regulations

- Hours of operation -Shooting and access are permitted during these hours only:
 - April 1st to October 31st**
 - Weekdays: 7:00 am to 7:00 pm
 - Weekends: 8:00 am to 5:00 pm
 - November 1st to March 31st**
 - Weekdays: 7:00 am to 5:00 pm
 - Weekends: 8:00 am to 5:00 pm
- Incendiary, tracer, armor piercing or explosive types of ammunition are not permitted on any range.
- Explosive targets and incendiary targets are prohibited.
- Cannons, mortars, and centerfire rifles 50 caliber in size (including .50 BMG) or larger are prohibited.
- Eye and ear protection are required on the firing line and highly recommended elsewhere on the range.
